JUDGMENT

Complaint of the petitioner is that though petitioner has constructed a building and there was no violation of any provision of the Building Rules, the building is not being numbered. It is not in dispute that the petitioner has not made an application for numbering the building. In such circumstances, I would feel that it is for the petitioner to make a demand seeking numbering of the building.

2. Heard learned counsel for the respondent also.

The writ petition is disposed of as follows:

If the petitioner makes a demand before the respondent for numbering the building in question, the respondent will take a decision on the same in accordance with law within a period of one month from the date of receipt of a copy of this judgment.

(K.M. JOSEPH, JUDGE)
